Arrows from the Woods

55/59

Surge.

Archery X. X is the number of characters committed to the quest.

The rain of arrows came from out of nowhere, but before the company could counter, the enemy had fled back deeper into the Chetwood.

Rumours of 'Sharky'

56/59

When Revealed: All objective cards in play are sent to the victory display. Remove 1 resource token from Breaking the Bandits' Back. Remove all progress from the current quest stage. If this is stage 2 shuffle the current quest card back into the quest deck and reveal another random quest stage 2.

"They seem more afraid of this Sharky fellow than of us. Who could he be?" - Cadoran

Racketeering

57/59

When Revealed: Attach this card to the hero with the most resources on him. It counts as a condition attachment with the text: "This hero cannot gain resources from card effects. This hero loses all sphere icons."

Rumours began to spread that the fellowship was keeping the recovered goods they took off the bandits. Suspicion began to grow that perhaps they were nothing more than thugs themselves.
